

LEIGHTON O'BRIEN

Leighton O'Brien makes SIRA compliance easy.

SIRA stands for Statistical Inventory Reconciliation Analysis. Put simply, SIRA is the EPA certified mathematical checking of your fuel losses.

Implementing SIRA is easy to do. Simply collect your daily fuel readings (sales, dips and deliveries) as you currently do, send them off once a month and receive from us your monthly tank report.

SIRA will improve your ability to control and identify fuel losses and should a problem arise, Leighton O'Brien will guide you through the reporting paperwork and solution available to you.

SIRA Made Easy:

- Simply call 1800 627 567 to sign up
- Leighton O'Brien provides you with detailed start-up instructions
- Flexible data feed – internet, email or fax
- Low monthly fee – no upfront fees or software to buy

Leighton O'Brien is the leading SIRA company in Australia

Leighton O'Brien SIRA service includes the following:

- US EPA Accredited Statistical Inventory Reconciliation
- 80 Mathematical Algorithms applied to tank systems
- Comprehensive web based reports
